IMPORTANT NOTES

- ❖ **HOTEL SELECTION:** The hotel selection depends on the category of hotel that you choose. Once you choose your preferred hotel class, we will specify which hotels are available for the dates of your trip. Hotels are categorized in the following classes: **Economic Class, Tourist Class, Tourist Superior Class, and First Class.** All the hotels we work with have been carefully chosen by us after close inspection.
- ❖ **AIRFARE NOT INCLUDED:** The price of the tour does not include air tickets. We will gladly help your with the booking of the ticket from Quito or Guayaquil to Galapagos. You may also book the flights on your own if you find it more convenient. PLEASE TAKE

INTO ACCOUNT, which islands you, will arrive and leave from, and if you choose to book your own flight please try to book your arrival in the morning (before 11 am) and your departure in the afternoon (12 am or after) so that you don't miss any part of the tour. You can book your flight either through TAME, AEROGAL, LAN, or TAME (recommended).

- ❖ **GUIDES:** We organize excursion with local naturalist guides for each island (and sometimes for each activity). The guides will accompany you throughout all excursions, give explanations of the islands (flora and fauna) and coordinate the activities each day. Regarding lunch and dinner, the guide will specify the restaurant designated but he will not accompany you during this time. The guide's activities will start and end with each daily excursion. The guide will not go with you on the speedboats between islands either. We work with local and independent guides certified by the Galapagos National Park - if you feel that their guidance does not meet your expectations, feel free to leave a complaint at the National Park Direction, if possible at the time of the tour, to help improve the quality of service in the islands.
- ❖ **LUNCH and DINNER** have **BEEN EXCLUDED FROM THE PROGRAM**. Only breakfast (which will be served either on your hotel of stay or the restaurant specified by the guide) and a **box lunch (served only during the navigable excursions)** are contemplated in the cost of the tour. As of lunch and dinner during your days in land, we can gladly recommend a list of restaurants you may use.
- ❖ **PUBLIC SPEEDBOATS:** We recommend that you take a seasickness pill before each ride between islands if you are prone to seasickness. It is also recommended that you carry small plastic bags with you in case of seasickness. The speedboats are not completely covered so please make sure that valuable objects and electronics are stored in a plastic bag. The **guide will not go with you on the speedboats** but a new guide will greet you on the other side. There are no services onboard as the speedboat space is limited and the journey is relatively short. A water taxi ride is sometimes required (depending on the tide) from the dock to the speedboat; the cost is **1 USD** per person and **per ride**. Please, make sure you bring cash in small denominations in case this expense is needed. ***This is a Public service out of our control.***
- ❖ **SCHEDULE OF EXCURSIONS:** The schedule of the excursions will be coordinated and determined locally through the guide and those responsible for the operations. The guide will specify what time each activity will start. The transfers between islands on the public speedboats are the only activities that have fixed departure times.
