

# Alia 5 Day Itinerary

(North Seymour - Genovesa - Santiago - Bartholomew - Santa Cruz)

## Day 1 (Thursday) NORTH SEYMOUR ISLAND

Morning flight from Quito or Guayaquil to Baltra, Galapagos Islands.

You will arrive at Baltra Island in the morning. After passing through immigration and baggage claim, you will be met by the Alya staff and transferred to the yacht. You will be shown to your cabin where you will have some time to settle in before lunch and a welcome briefing.

In **North Seymour** you will be able to see Galapagos sea lions, blue-footed boobies, and magnificent frigatebirds which are abundant on this island. North Seymour was formed by a series of submarine lava flows containing layers of sediment that were uplifted by tectonic activity. The island is characterized by its arid vegetation zone.
